TONY THE TIGER

INTRODUCES THE FANTASTIC SR-71 BLACKBIRD!

FREE Model from Kellogg's FROSTIES

'Hi everyone! This is the record-breaking plane that flew from New York to London in only 2 hours. It can fly at three times the speed of sound!!!

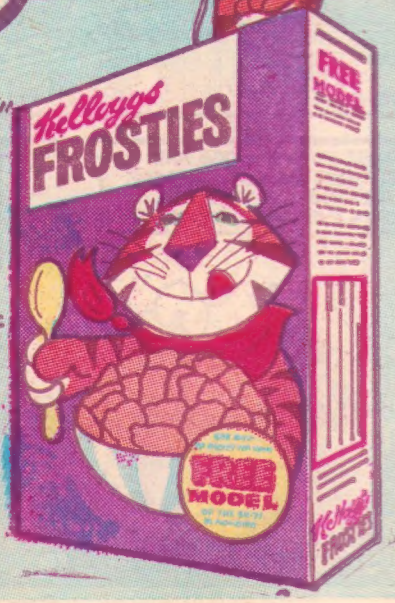
ZOO-OOM!

2,000 m.p.h. flying at a height of over 15 miles for the U.S.A.F. Strategic Air Command. Blackbird can survey 60,000 square miles of the earth's surface in one hour!

The pilot and the reconnaissance systems officer both have to wear astronaut suits.

Now get this, fellas! You can have a scale model of Blackbird for free if you send me six packet tops from my favourite 'Frosties' – they'll make a Tiger-rr of you!

This super, easy-to-assemble Kit in tough polystyrene builds up to a scale model which is 8" long with U.S.A.F. transfers. (You can also decorate it with enamel paint from your model shop). Start collecting your 'Frosties' packet tops today. Full details on special packs of



Kellogg's FROSTIES THEY MAKE A TIGER-RR OF YOU!

Letters

Dear Editor,

We are keen fans of the T.V. programme 'The Sweeney'. I like Sergeant Carter, Inspector Regan and Chief Inspector Haskins. Please could you print a picture of all three of them in WHOOPEE!

PAUL & ANDREW JOHNSON, Wrexham.

Here are Dennis Waterman, John Thaw and Garfield Morgan, who play the respective roles in 'The Sweeney', with many thanks to Thames Television who supplied the picture . . . Editor.

Dear Editor,

I am from the U.S.A. and out of the many comics I sampled on a recent trip to England, yours was the BEST! I sincerely hope there comes a time when your super paper is available to us kids in America, because we don't have anything like it over here.

ANNE WHEELOCK, Los Angeles.

Tell you what, I wouldn't mind the job of delivering it personally to you every week. Here's hoping you enjoyed your visit . . . Editor.

Dear Editor,

My favourite sport is cricket, but for six months I couldn't play because I had to wear a special collar on my neck after suffering an accident while practising Kung Fu with my brother. This is a warning to any other people who try it.

CLIVE WARE, Cheam.

Thanks for writing, and let's hope that everyone reading your letter will take heed of what you have said . . . Editor.

Dear Editor,

My friend has gone to live in South Africa. He wrote and told me that he missed WHOOPEE! very much, so now I send him a copy every week. In return he sends me a South African comic, but I must say I prefer WHOOPEE!

JOHN WATSON, Blackpool.

Good for you, John, and thanks for playing your part in making WHOOPEE! a world-wide favourite . . . Editor.

Dear Editor,

I am very lucky to own a pony and even luckier to live on a farm, so it is like keeping a pony in my back garden. I have a lot of fun riding him, and in the summer I am going to start going to gymkhanas.

DIANE STEEPLES, Mapperley.

Dear Editor,

My teacher took our class to the Police Station to see how the police work. We saw tracker dogs, a mounted policeman on a fine horse, a frogman in his rubber suit, a policeman doing radio work, and cadets as well.

LESLIE MUIR, Airedale

Golly! It must have been crowded in there — all that was missing was the Flying Squad, complete with plane! . . . Editor (er, only joking, officers . . . you're doing a great job!)

Dear Editor,

My hobby is playing the flute. I've passed one exam, and I am a member of the school orchestra. I also play with the junior concert band which is run by the Shropshire County School of Music. I hope my letter is printed, as I'd put the money towards getting a flute of my own.

ELAINE WILDING, Telford

Well, you'll soon be able to toot your flute, Elaine, because you've just boosted your savings by the tune of £1 . . . Editor
